OTHER IMPORTANT DETAILS

What is our style of photography?

We go for a natural glamour look, with a mix of candid and posed images. The photos are sharp and vibrant, but with a slightly filmy look. We create them so that they stand the test of time.

How long does it take to get the finished photos?

With a dedicated photo editor, our photos are ready within two weeks of the wedding.

When is the payment due?

We only require \$100 deposit for the booking, and the balance just before we send you the photos.

Can we order albums later?

Absolutely, albums and prints can be ordered at any time, and you get to choose what photos you want.

How many weddings have we photographed?

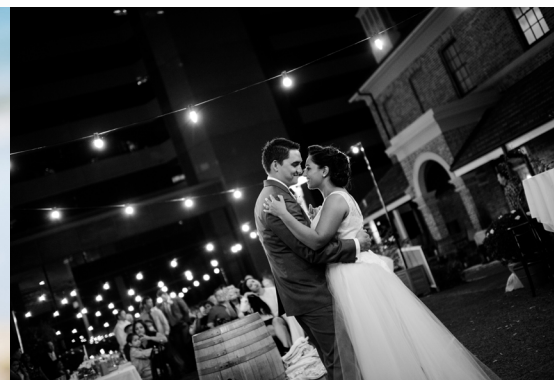

We have photographed over 300 weddings over ten years at most of the popular Perth, Fremantle and Swan Valley ceremony and reception venues.

How do we keep your photos safe?

We work with two cameras, each with a backup memory card. We also have an elaborate backup and archiving system.

How do you book us?

Easy, book a viewing with us (after hours available) or email us and we'll forward you all the booking details.
